Comment enfiler son gilet de sauvetage
Life jacket instruction

1
Passez le gilet de sauvetage sur votre tête.
Place the lifejacket over your head.

2
Passez la ceinture derrière votre dos.
Put the belt behind your back.

3
Rapprochez les deux extrémités de la ceinture et ajustez-la.
Join the two parts of the belt and adjust it.

4
Passez l'extrémité de la sangle d'entrejambe dans la boucle. Serrez pour ajuster.
Pass the end of the crotch-strap in the buckle. Tighten to adjust.

5 **Quand vous sautez, appuyez vos mains sur la brassière.**
When jumping, press your hands against the jacket.
